Dedication

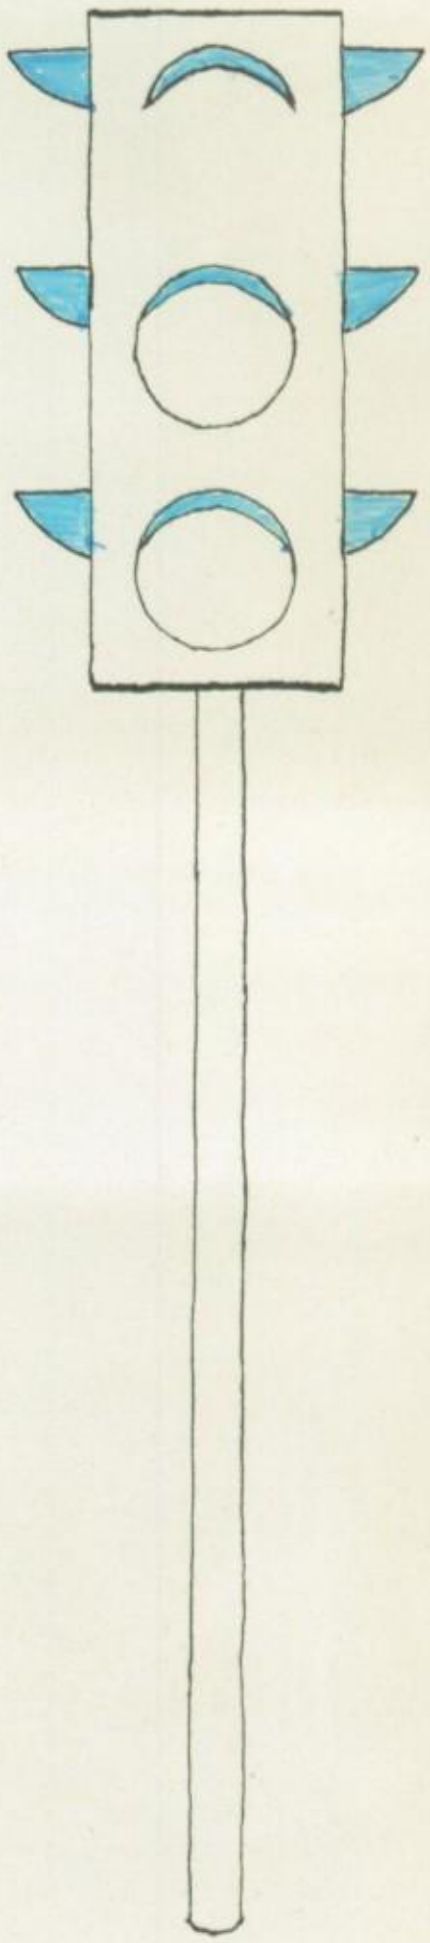
MRS. DAPHNE CATT

Because of her loyalty to B.H.S. and its students, we, the Senior Class of 1966, dedicate this edition of the OLE BROOK to Mrs. Daphne Catt. In the short years she has been here, Mrs. Catt has inspired in us an appreciation of our language and worked tirelessly with us in extra-curricular activities. Her scintillating personality, warm smile, and sincere interest in all of us have endeared her to every senior in the Class of '66.

The Catts--always ready to help

Mrs. Catt and the S. C. officers

Route 66 . . .



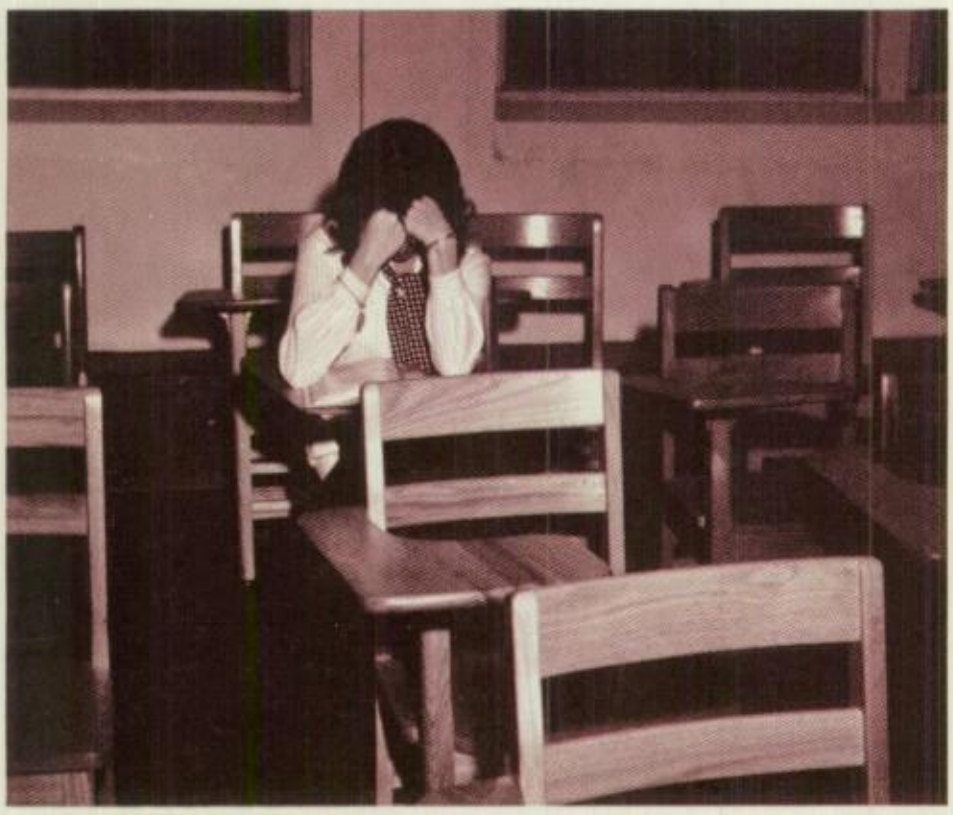
STOP! Stay alert, for the engineers of Route '66 have just completed one of the dizziest roads you will ever follow.

LOOK! You don't want to miss a thing! There are pages filled with the highlights of our journey, our hard-earned scholarship, the frenzied activities, and the true friendships we have formed along the ways.

LISTEN---for this book just rings with the fun we have had on this, the last part of our journey.

North, South, East or West
'66 has been the Best!
(Just follow the road ahead!)

Builds



Who said being a senior was a cinch?

To heck with books!

That's on the test?!

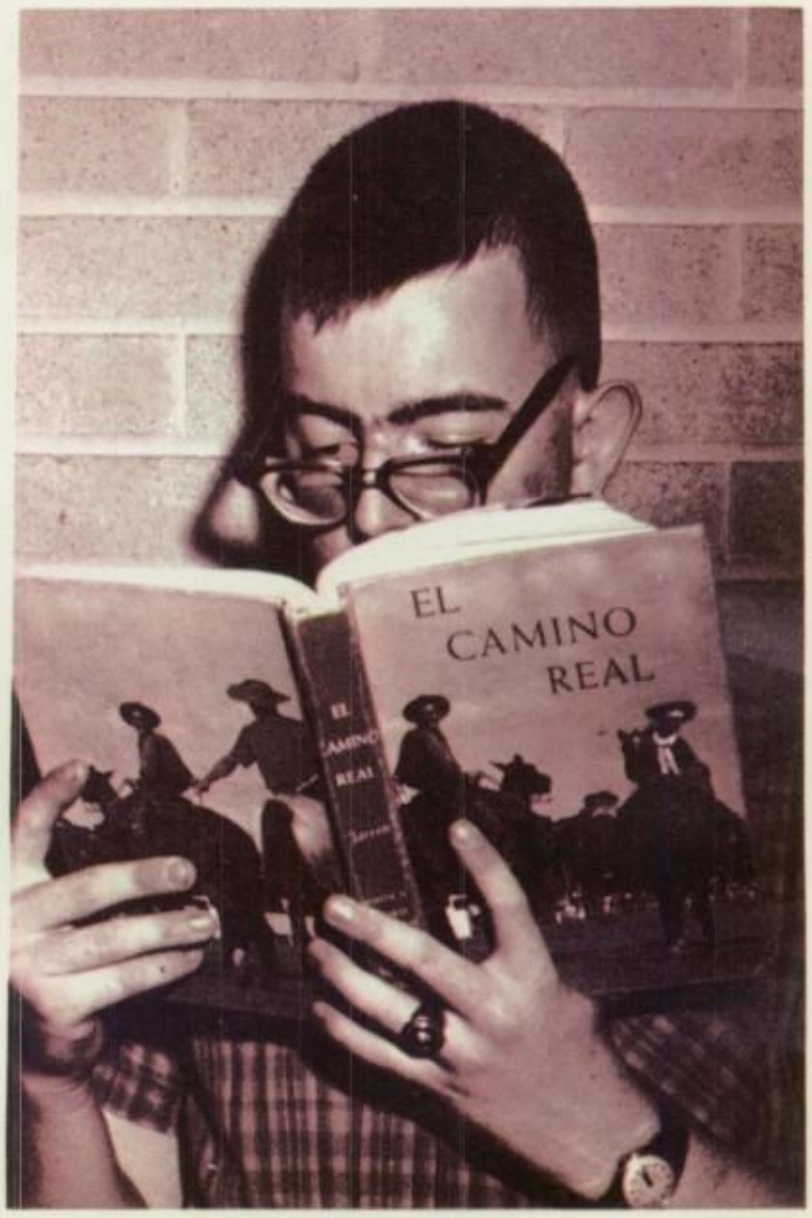
Ho! Hum!

Scholarship

Almost everybody is reading the '66 OLE BROOK!

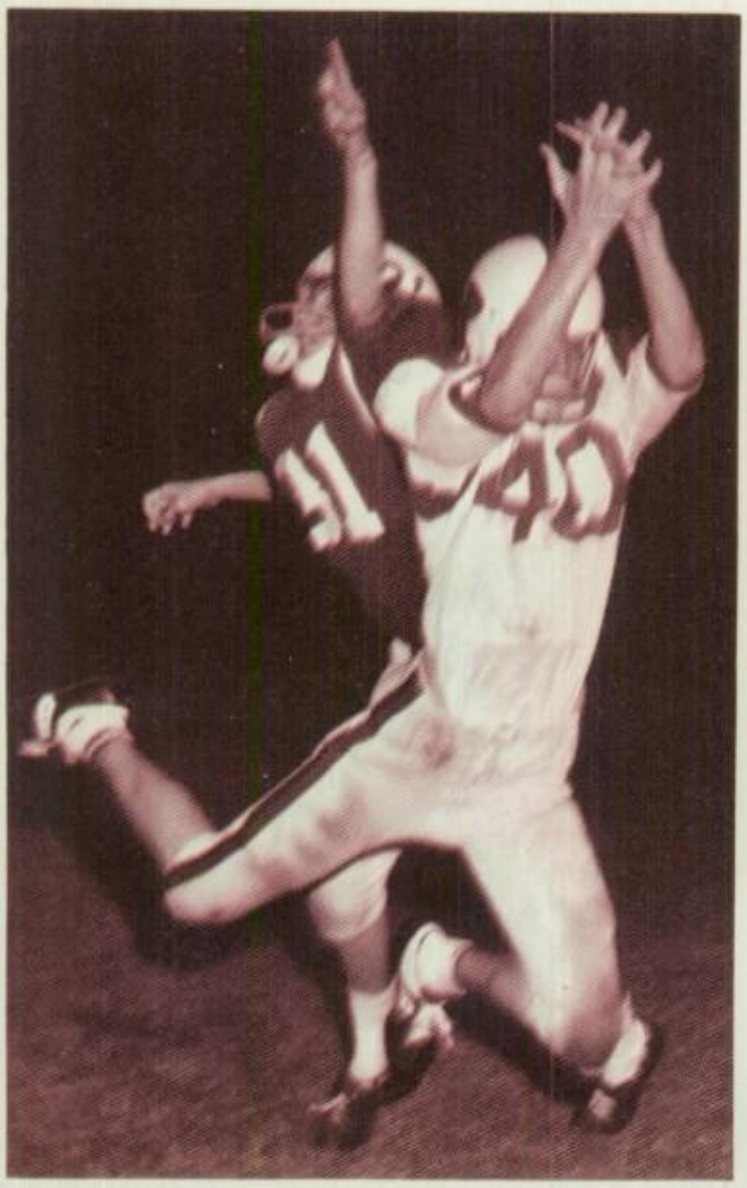
NHS officers plan ahead.

Students at work! Striving to learn in a few years what it has taken men centuries to uncover. Preparing themselves to be the discoverers of our generation.



Who says there's romance in Spanish?

Creates Frenzied



Where's the ball?

Here are the hikers, where's the hitch?

All right. Who forgot the food?

Never, on any other thoroughfare have there been such exciting, inviting activities! Picnics and rides with the gang, swimming and sunning, and finally graduation--all have been points of interest along Route '66.

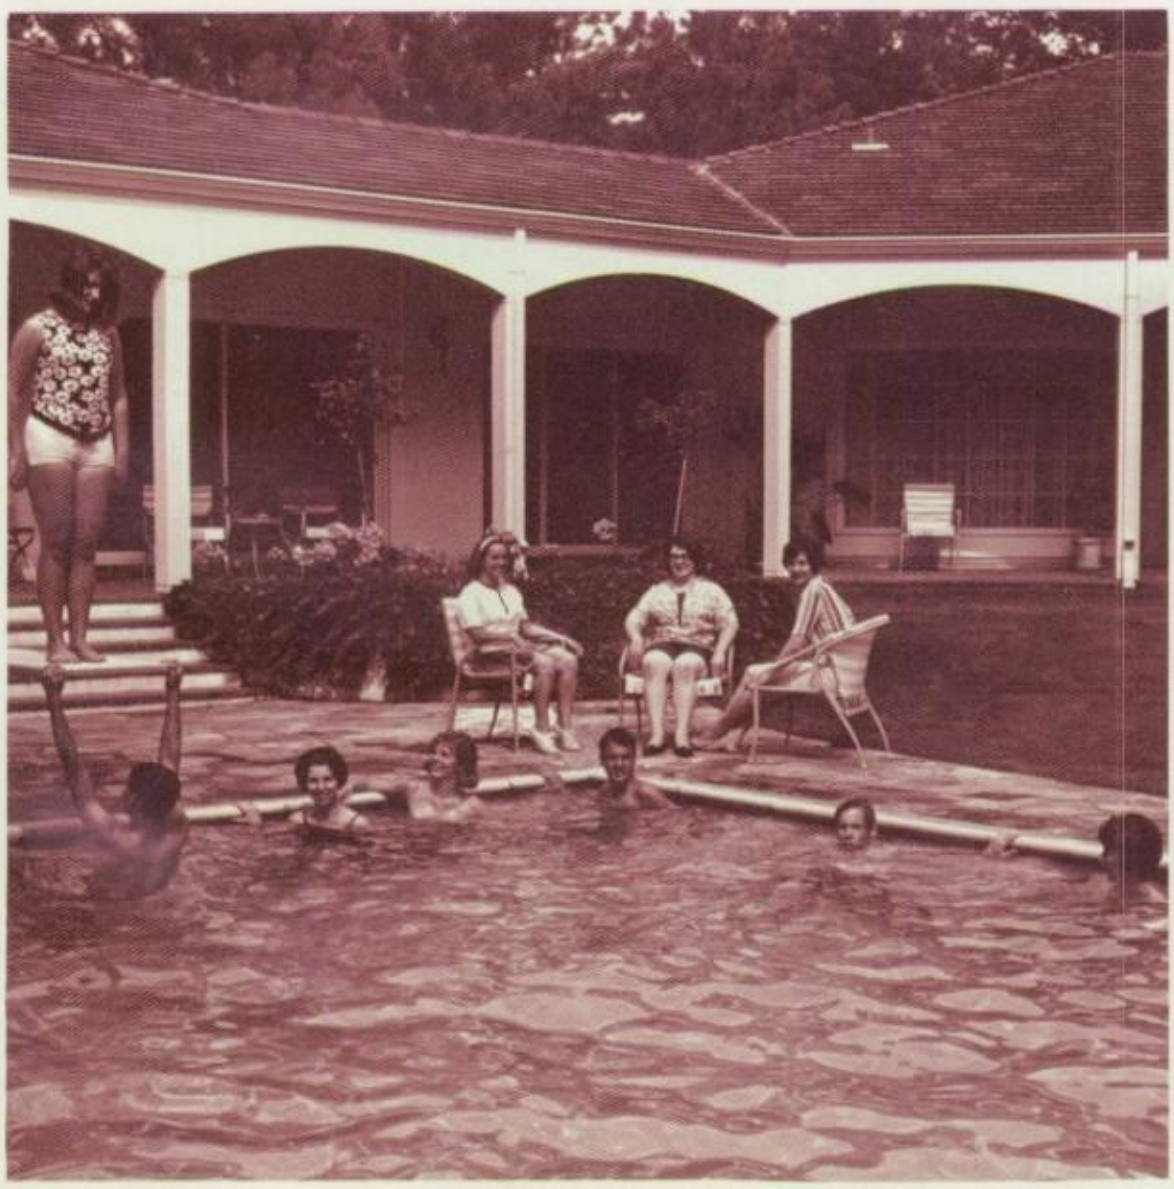
Activities

Pam, the Panther



This is the way we work.

Wish they were all mine.

Binds

"Hi there!"

If she turns around we've had it!

Ours has been a memorable journey, for as friends we have shared the rugged roads as well as the easy traveling.

Flirting with another steady, huh, Cynthia?

The grass is greener on the other side of the fence.

Those quiet times together

Friendship

Over the river and through the woods

"Hi there!"

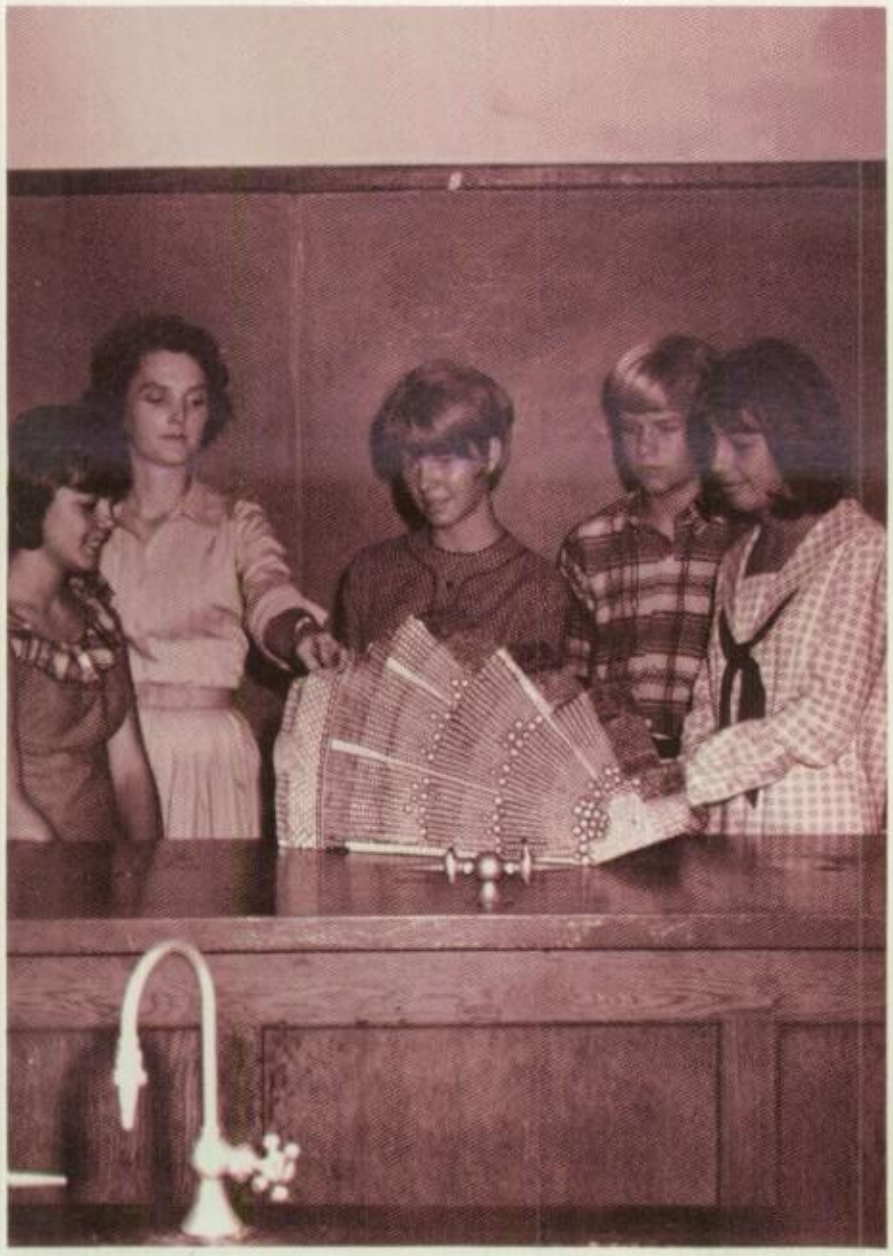
Our rings made our Junior year complete.

"Bod" stacking

Always a helping hand

From Dawn

Confusion is just a part of being a Freshman.



It's really hard to convince sophomores that they are just a bunch of cells.

The Juniors shout-as usual-"Our rings are the greatest!"

We Sang in the Sunshine

and when our years here are ended
. . . and we have gone away
. . . we'll often speak about them
. . . and this is what we'll say

We Laughed Every Day

We sang in the sunshine
We laughed every day
. . . We sang in the sunshine
. . . and then went on our way.

FACULTY

Administration and Board of Trustees

MR. C. H. LIPSEY
Superintendent

Our efficient administration and Board of Trustees determine the rules of the road on Route 66. They are the ones who made our itinerary and set out the directional signs. When, as sometimes happens, we take the wrong turn, they are there to help us and get us going in the right direction. These men make Route 66 the smooth highway that it is, and we appreciate their efforts.

B. A., MSCW; M. A., Tulane U.; Graduate Study, Northwestern College of Louisiana

MRS. FRANCES SEAVEY
English I
B. A., MSCW; Graduate Study, George Peabody College for Teachers, Columbia U.

To many, English is a looming forest of unrelated subjects, verbs, and meaningless diagrams. We have had some pretty wonderful guides through this forest, however, and they have taught us the beauty of well-spoken English, the pleasure of standing up to speak with confidence, and the fun and excitement in discovering new words and rediscovering old ones. Words are important because they are the instruments with which we express our thoughts; thoughts are the bases of our actions; actions are the determining factors of our lives.

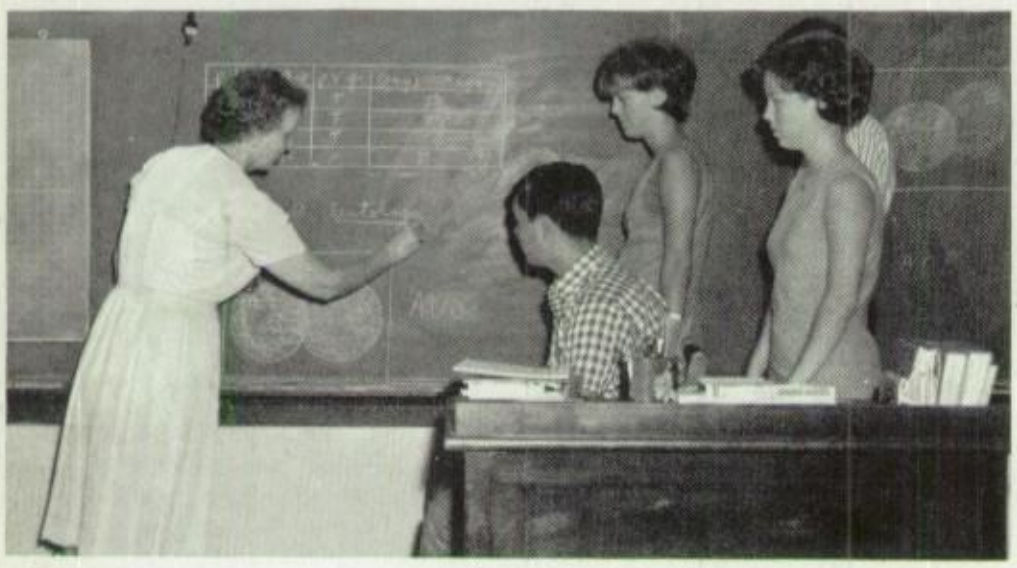
MRS. ANITA BALL
Algebra I
B. S., MSCW; Graduate Study, Mississippi State University



Our first lesson in modern analysis

Our Mathematics Department is dedicated to teaching its students the elements of logical reasoning through the presentation of axioms, theorems, and proofs. These concepts are emphasized in courses ranging from the concrete problems dealt with in general mathematics to the abstract principles of elementary analysis. The true mathematician, however, studies mathematics simply because he is fascinated with the beauty of its structure.

COACH JAMES A. SINCLAIR
American Government, Economics, and Driver's Education
B. Ed., Tulane U.; M. S., U. of Southern Mississippi

Historians have a theory that the life of a country is a cycle like the seasons of the year. Each country has its spring, its summer, its fall, and its winter. In their history classes B. H. S. students have an opportunity to question this analogy and our place in it.

In government and economics we learn how our government functions, the responsibilities of good citizenship, and the importance of fulfilling them.

You've had it!

Sciences

MRS. JANE KEES
Head of Science Dept.
B. S., Millsaps College; Graduate Study, U. of Mississippi

Science teaches students the facts about and laws of the universe. In Brookhaven High School's science courses every student can profit from the studies of plant and animal life and behavior, the characteristics and reactions of elements, and the natures of matter and energy. He can broaden his intellect because he can increase his knowledge of the world in which he lives.

MR. ALBERT L. BECKER

Mrs. White also teaches biology.

Homemaking and Industrial Arts

Home Economics enables B.H.S. girls to prepare themselves to be the homemakers of tomorrow. They are given an opportunity to develop their talents in cooking and sewing, and to master the art of managing a household.

Industrial Arts also enables the student to use his hands and his mind creatively. Here he learns the importance of skillful co-ordination.

Special Services

MR. GEORGE B. BRUMFIELD
Counselor
B.S., Miss. State University; M.A., U. of Alabama

Do you realize how lucky we are at B.H.S.? Not only do we have wonderful teachers, but there are also some very special people who help to make us well-rounded individuals. There is the counselor who helps us with our problems and plans for the future; the librarian who supplies us with books that will enrich our lives. In the middle of the day when our energy begins to drag, we are pepped up by a good, warm meal in the cafeteria. If we need to know something, the secretary is always in the office to help us. We are proud of the beautiful grounds around our school and are grateful for the care given to our facilities by the Custodian.

Claudia Hale, Reporter; Miss Mathison, Sponsor; Patsy Smith, Secretary; Regina Russell, Vice-President; Emily Kees, President; Martha Walker, Treasurer.

Miss Mathison and Mrs. Catt make plans for the next meeting.

S. C. OFFICERS AND SPONSORS

The sponsors and officers of the Student Council form a foundation for the plans that are to be part of the work during the coming year. One of their chief interests is finding ways to promote better understanding between teachers and students. They spend much time working on club projects and trying to govern the school in a way that the student body will appreciate. We congratulate them for their hard work and for their interest in Brookhaven High School.

S. C. REPRESENTATIVES

BHS has a representative form of student government. Each homeroom elects a student to represent it. These students attend meetings once a week where they discuss school problems, originate distinctive activities that help to make our school life more colorful, and sponsor service projects for the school. In this way the entire student body is represented. The students are proud to have such an active student council.

National Honor Society

The National Honor Society recognizes outstanding achievement in four important areas of life: leadership, scholarship, service, and character. Each of these areas is ranked by the student's teachers. To be considered the student must have an 85 average. Only 15 percent may be chosen from the Junior class and 20 percent from the Senior class. These members encourage four-square development and an atmosphere of learning. BHS is proud of these students and of the fact that there are so many of them.

Y-Teens [TEEN]

Y-Teen officers and sponsors.

The Y-Teen club was organized to give Christian girls a chance for fellowship and for furthering their ideals as Christians. Here at BHS, the students feel that the club has succeeded. The girls have made the meetings lively with good conversation, interesting programs, singing their favorite songs, and always by a devotional. Not only do they have fun, but they also take part in service projects and money-raising projects. The purpose of this organization is: "To grow as a person; To grow in friendship with all people regardless of race, creed or color; To grow in the knowledge and love of God."

Y-Teen Presidents: Libba Ray, 9th grade; Ann Short, 10th grade; Marolyn Kenny, 11th grade; Sue Wooten, 12th grade.

Hi-Y

The Hi-Y is a Christian organization for boys. It offers them the satisfaction of contributing their time to many worthwhile services. They perform many services both outside the club and within it. In school the boys help with the morning devotionals. They also choose a sweetheart, who is someone the club feels represents the best in conduct, character, and ideals. They create high standards of Christian character in the home, at school, and in the community.

OFFICERS: J. Tousinau, B. Smith, D. Gregg, D. Smith, S. Oberschmidt, A. Carter. Mr. Donald Dick is Sponsor.

The Hi-Y is organized under the sponsorship of the YMCA.

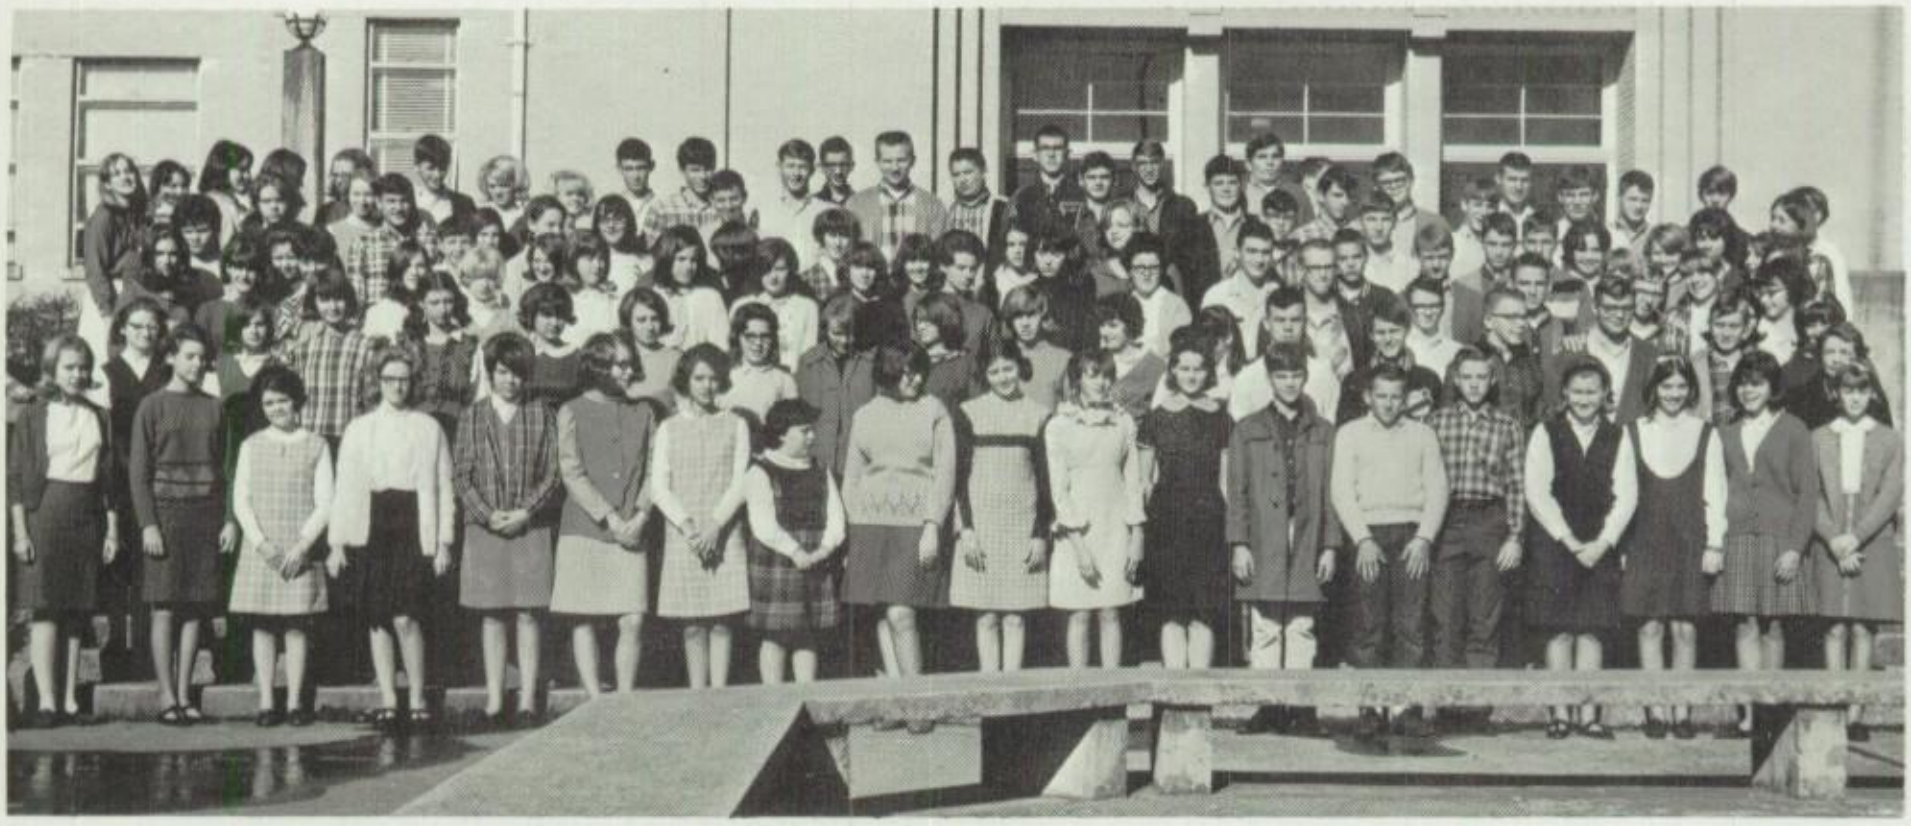
Latin Club



Latin Club members gain an appreciation of the ancient civilization.

OFFICERS: J. Jackson, D. Brady, T. Yates, T. Spearman, Mrs. Branch, Sponsor.

The Latin Club is designed to stimulate interest in the classics. The members present varied programs dramatizing Roman culture and the influence of the Latin language on English. The highlight of each year is the selling of slaves. For five or ten cents, a hard-working servant who must obey his DOMINUS, or master, throughout the year. Other programs include skits, informative discussions, and talks by guest speakers.

Spanish Club

Spanish Club members enjoy fiestas of work and play.

The Spanish Club enables students to put their classroom Spanish to enjoyable use. Dramatized stories, word games, and color slides of Mexico and Spain are not only entertaining, but also informative. The club holiday parties provide all the gaiety and color associated with Mexican fiestas. The club draws students to a more personal interest in their foreign language study and to an appreciation of another culture and another land.

Officers: Mrs. Spearman, sponsor; S. Safley; R. Fortenberry; J. Hambach.

Science Club

OFFICERS: D. Shedd, J. Lofton, B. Lofton, V. Brown.

One of the most popular clubs in school, the Science Club, offers programs which the students enjoy thoroughly and from which they get new ideas and information. The chemistry and Biology students are shown the place of science in their everyday lives, are informed about new developments in the scientific field, and those seriously interested are given occasion to question professionals on the opportunities of a career in science.

Ya'll, it worked!

Sponsors--Mrs. Kees and Mr. Lofton.

Science club members develop an interest in science by observation and experimentation.

Business Education Club

For those students taking two business courses, BHS has a Business Education Club. It develops an interest in the many career possibilities open in the area of business and offers helpful hints on such subjects as "How to Use a Business Telephone," and "Job Opportunities." Such a club as this helps keep secretarial science students well-prepared and well-informed.

OFFICERS: J. Smith; Miss Jenkins, Sponsor; L. Robinson, Sheila Scott.

Future Homemakers of America

1965-1966 F. H. A. Officers

The F.H.A. strives to exemplify the perfect homemaker by emphasizing high ideals in home and family life. By doing so, it raises the standards of the community. This year the club has had many interesting and informative programs which have helped its members prepare to be good homemakers and good citizens.

Each year a Homemaker of Tomorrow is chosen for her superior rating on a written examination. Laurie Hatcher is the recipient of the '66 award.

Library Assistants Club

Library assistants help stimulate interest in the library.

The Library Assistants Club meets to discuss ways in which it can better serve the students in the library. These assistants are chosen from each library period. They aid students in finding books and articles and in checking books in and out. By shelving books and keeping the library in order, they relieve the librarian of many extra duties. This is a club that really helps the student body.

ENSEMBLE

During the first six weeks period a vocal ensemble is organized.

An opportunity is offered to the members of the Glee Club to learn and enjoy music. These students become familiar with many types of music and with great composers. They have a chance to show what they have accomplished through the performance of several concerts during the year and also by attendance at the District and State Choral Festivals.

Brookhaven High

The Band this year is really on the move. It is a growing organization at BHS. Much of the school spirit would be lost without the band's playing for pep rallies and marching on the field at the football games. They also perform in the annual Spring and Christmas concerts and win many honors at the Band contest. The students in the Panther Band gain an appreciation of music and, at the same time, have a chance to express themselves in an art.

The 1965 Homecoming, honoring the '5 classes, was one of the highlights along Route 66.

All day energetic seniors worked hard to make Homecoming the best ever. Results of this hard work were seen everywhere-from decorating to rehearsing and from the program to the coronation. For alumni it was a day of reminiscing and greeting old friends; for seniors it was one of their happiest experiences along Route 66.

Now, turn off the highway and view some of the sights as they were seen October 22, 1965, on Route 66.

The 1965 Homecoming

Queen Lili and Her Court

The Coronation of the 1965 Homecoming Court was one of the loveliest sights along Route 66. Each maid was chosen by her classmates to represent them in the homecoming activities. The beautiful queen, LiLi Phillips, was selected by the entire student body to reign over the events of the day. The court was featured not only in the program, but was also given a place of honor at the homecoming game that night.

Members of the court and their escorts were: FRESHMAN MAID, Libba Ray, escorted by David Magee; SENIOR MAID, Sarah Fennell, escorted by Jack Norton; QUEEN, LiLi Phillips, escorted by Anton Reel; 1964 QUEEN, Scherry Ward Waldon, escorted by Bill Furlow; JUNIOR MAID, Marolyn Kenny, escorted by Eddie Cross; SOPHOMORE MAID, Melanie Campbell, escorted by Richard Doerr.

Ole Brook Annual Staff

What would we do without our hard-working sponsors, Miss Ab and Miss Jenkins, and our Business Manager, Claudia Hale.

Early last summer a new and inexperienced Annual staff met for the first time. They began by discussing themes for your annual, a record that would represent the entire school and student body and their activities through this year. All through the summer they worked, making snapshots, choosing the cover, planning the contents. All the editors have worked together for this moment. Here it is, the 1966 OLE BROOK. It is hoped you will enjoy it.

OLE BROOK Editors, SEATED: S. Wooten, Feature Editor; J. Tramel, Editor-in-chief; C. Hale, Business Manager; L. Robinson, Class Editor; and STANDING: L. Hatcher, Art Editor; T. Only the Road of Tomorrow Lies Ahead

Dear Reader:

We have now reached a new cross-road on Route 66. Sure, we graduated from BHS, but this is only a start on the road of life. The whole world lies ahead. There are many detours before us and many possible routes we can take, but we cannot turn back. The road ahead may be steep and crooked, but the only solution is to look straight forward, step into the future with an undying faith in ourselves and in God, and we should not stop until we reach success. J. S. Mill summed up life in this way:

"Human existence is girt round with mystery: the narrow region of our experience is a small island in the midst of a boundless sea. To add to the mystery, the domain of infinite space, but also in infinite time. The past and the future are alike shrouded from us: we neither know the origin of anything which is, nor its final destination."

We, the staff of the 1966 Ole Brook, consider the creation of this annual an uncomparable experience, and one we will not soon forget. We hope that our many, many hours of hard work have paid off by giving you a full account of this school year in a pleasant and enjoyable form.

To many people we owe a sincere thank you. It is impossible to mention all of them but we would like to say a special "Thank You" to Miss Abshagen, Miss Jenkins, and Mr. Clyde Jackson for their valuable aid in bringing this book into being.

Sincerely yours,

THE ANNUAL STAFF
